NONSCHOOL USE OF DISTRICT VEHICLES

The Oradell Board of Education has made the buildings and grounds of the district's public schools available for nonprofit use, provided that in the opinion of the chief school administrator such use would not conflict with, impede or negatively affect the operation of any school-related activities. The board will also make any school-owned vehicles available to local, state, and/or federal emergency management personnel as necessary.

The board shall approve the use of buses for all non-school purposes.
