

AWARDS FOR ACHIEVEMENT

General

The Oradell Board of Education believes that student achievement should be recognized at all levels in a manner appropriate to the student's accomplishment.

The board directs the chief school administrator/designee to develop criteria and procedures for presenting awards to students for scholarship and outstanding accomplishments in the arts, athletics and citizenship.

The chief school administrator or his or her designee shall review and advise the board on acceptance of proposed trophies, prizes, scholarships or other awards from nonschool donors. Any such proposed award shall be free from bias as outlined in the district's affirmative action policies. The board reserves final judgment on such awards.

Criteria regarding eligibility and selection for awards shall be disseminated annually to all students and parents/guardians.

Service Participation

School service groups shall be recognized for participation in order to emphasize the importance of good citizenship in school life as outlined in the course of study.
