WINTER SONGFEST

December 21, 2023

As we continue to create a strong OPS community, we will perform our annual Winter Songfest in three "Spirit Teams." This plan allows our 6th graders to remember what it was like to be at their first sing-a-long many years ago and gives our kindergarteners a chance to wonder what it will be like to be a big OPS kid one day!

Please join us in the MPR during the time slot listed for your child's class.
