AMERICAN CAMP ASSOCIATION (ACA)

We are proud to have our Mahwah and Dumont camps accredited by the American Camp Association (and soon Weehawken and Hoboken), which means that we care enough to undergo a thorough review of our operations – staff qualifications and training in emergency management. American Camp Association collaborates with experts from the American Academy of Pediatrics, the American Red Cross, and other youth-serving agencies to ensure that current practices at our camp reflect the most up-to-date, research-based standards in camp operation. Camps and ACA form a partnership that promotes growth and fun in an environment committed to safety.
