Northern New Jersey

January 2023

Dear Oradell Families,

As a working parent, you have a lot on your plate, so let us help you! YWCA Northern New Jersey offers our high quality Before & After School Programs, licensed by the NJ DCFS, onsite at the Oradell Public School.

Our programs support children during out of school hours, enabling parents to focus on their careers and jobs with the knowledge and comfort that their children are happy, well cared for and constructively engaged.

Our core curriculum includes organized and structured recreational activities with a focus on physical activity, multicultural activities and anti-bullying prevention programs that foster self-esteem and teaches children to respect everyone. Our childcare programs provide each child a warm and supportive environment in which to grow. We meet the needs of each child with experiences that foster development and a sense of self-esteem. Programs strive to develop the total child, with particular emphasis on educational, physical, emotional, and social skills necessary for success in the coming school years.

Our programs are deliberately affordable, offer flexible program hours and coverage on half days. We also offer full day programs on some school vacation days for a separate fee.

- Before School Program 7:00am – Until the first bell rings
- After School Program 3:00pm – 7:00pm
- Vacation Day Care - TBA

Registration starts in June 2023 and all the information will be on our website:

<https://www.ywcannj.org/before-and-after-school/>

Registrations will be accepted on a first come, first served basis and space can be limited.

Please feel free to contact our registration department should you have questions; we can be reached at
