BABYSITTING

BASICS W CPR

Babysitting Basics is created for those ages 11 and older, our babysitting training course can help you learn how to provide care for infants and children, understand what to do in an emergency, choose age-appropriate activities, recognize and handle a range of behaviors, learn how to start your own babysitting business, and more. This course is designed to help participants develop leadership skills, build their business, help keep themselves and others safe, help children learn how to behave, and learn basic child care and basic first aid.
