Camp Director: Ryan Schmid – Health and PE Teacher at Cherry Hill and Roosevelt Elementary Schools

Compete Academy will serve as an environment to teach our campers new skills in various types of games and athletic activities such as basketball, soccer, flag football, wiffle ball, kickball, volleyball and more! The campers will learn the importance of leadership, teamwork and sportsmanship. We will strive to foster personal growth and social emotional learning for children in a fun and safe environment.

This camp will be run by our certified Health and PE teachers in the River Edge and River Dell Public Schools. Additionally, Junior Counselors from the River Dell community will work with the campers to assist our staff. Compete Academy will give children an opportunity to foster their love of physical activity. For more information please contact: competeacademy23@gmail.com
