## Summer Enrichment Program

**June 23 - July 18, 2014**

ORADELL PUBLIC SCHOOL DISTRICT  
350 Prospect Avenue  
Oradell, New Jersey

April 2014

Dear Parents,

"Explorations" will be conducted weekdays, Monday through Friday, beginning Monday, June 23 and ending Friday, July 18. "Explorations" will be closed on July 4. The attached schedule has been devised so that the children and parents may select as many as six courses in succession from a wide variety of offerings during two sessions. Session A will run from June 23-July 3 and Session B will run July 7-July 18 **The tuition per course is \$65 during Session A and \$70 during Session B. Basic Skills classes are at a charge of \$110 for all four weeks.**

We are delighted to inform you that all "Explorations" participants who register by the deadline will receive a commemorative T-shirt.

Please complete the attached registration form for the appropriate session(s) and return it with a check reflecting full payment made payable to the **Oradell Board of Education**. The deadline for registration will be **Wednesday, May 14, 2014**. Please note, an additional **\$25.00 non-refundable late registration fee** per family will be charged for applications postmarked after May 14. No refunds will be given past June 13, 2014 and refunds requested prior to June 13 will result in a \$25.00 processing fee.

**Please make all course selections based on your child's present grade level.** Class size will be limited and courses will be filled on a first come, first served basis. We also reserve the right to cancel any course based on insufficient registration. Therefore, it is important that you put down a second or third choice if you have one, otherwise your check will be returned to you. Instructors listed for some courses may be changed without notice.

Should you have any questions, please call 201-261-1180, ext. 152, leave a message, and your call will be returned as soon as possible.

Thank you for your interest in "Explorations", Oradell's Summer Enrichment Program.

Very truly yours,

Lesley Maklin

## Design Innovations

Do you daydream about ideas and inventions? Are you always using apps on your iPad? If you LOVE technology and have FUN with ideas - this class is for you! Using iPads and computers you will design and explore ways to solve problems connected to your world. Isn't the idea of heated outdoor steps/sidewalks great for the snow? No need to shovel-the snow melts! A FUN warm-up activity will start every class- a riddle, puzzle or game. Three prototype projects will be created to solve a problem:

1. "The Watch"- (wearable technology) How would you use it?
2. "The Building"- How do we build in the future with rising water levels?
3. "The T-Shirt"- Wouldn't it be great if your T-shirt could cool you in the summer and warm you in the winter?

Bring ALL your ideas, creativity and tech skills---and join us!

## Digital Photography: Shoot and Share!

This workshop is designed for both beginner and intermediate photographers. Beginners will learn how to use a digital camera, practice taking digital photos inside and outside, import photos, and then learn how to use iPhoto to create a slideshow to music. Intermediate students will review basic skills and complete photo projects geared to more skilled photographers.
