

Shop Local. Give Back.

Forget the long lines and crowded parking lots! You can do your holiday shopping here in Oradell and support the Oradell Public Library's Youth Department at the same time.

Through November 30th, Eco Galleria, a wonderful independently-owned boutique specializing in handcrafted items and artisanal gifts, will offer Oradell Public Library patrons a 10% discount AND will donate 10% of sales referred by the library back to the library's Youth Department. Simply visit the shop, located at the Oradell Train Station at 400 Maple Avenue, and tell the shop owner that you would like your purchase to benefit children's programming at the library.

This is a wonderful opportunity to find some unusual and thoughtful holiday gifts, to help raise much-needed funds for children's programming at the Oradell Public Library, and to support a local business that is dedicated to giving back to our community.

Stop by the shop today -- or visit www.ecogalleria.com for a sneak preview of the boutique's fantastic selection of home decor, fashion accessories, jewelry and gift items. Eco Galleria is open Tuesday through Friday, from 11am to 6pm, and Saturday, 10am to 4pm. Thank you for supporting the Oradell Public Library!
