"Our children, our hope, our future"

February 10, 2014

Dear Parents and Guardians of Second Grade Students,

Students in grade **two** will be administered the New Jersey Proficiency Assessment of State Standards (NJPASS) during the week of April 7th.

Please be advised that all testing will occur in the morning, so as to create a uniform testing environment in the school. The test schedule will be as follows:

Tuesday, April 8 th	Language Arts (Session 1)
Wednesday, April 9 th	Language Arts (Session 2)
Thursday, April 10 th	Mathematics, (Sessions 1 & 2)

Every effort will be made to make sure that the testing process is as comfortable as possible for the students.

You can prepare your child for taking standardized tests in days just before the test and on the test day itself. Make sure your child gets a good night's sleep during the testing period. A good breakfast is important on the testing days as well.

Please ensure that your child arrives at school on time to create a consistent testing environment. Make-ups will be held on April 11th for any child who misses any part of the test.

Should you have any questions, please do not hesitate to call the school. Thank you in advance for your cooperation.

Sincerely,

Megan Bozios
