Dear Parent/Guardian:

"Our children, our hope, our future"

Halloween at Oradell Public School is an exciting day for our school community. It is also one of the most hectic days for us in light of the fact that most of our students go home at lunchtime to prepare for the parade.

This Halloween, once again, we will have one lunch period for grades K-6. The lunch period on this day will be from 11:25 until 12:40 p.m. This slightly extended time will allow the children to eat and change into their costumes in a more manageable fashion. For just one day, we will dispense with signing children out and back in at lunch provided you sign and return the form below. Please know that children must be picked up by the designated adult and may not go "downtown" for lunch unless accompanied by a parent or another designated adult. Our classroom teachers will dismiss children at the exits as they normally do at dismissal. **Children will only be dismissed to the person listed below.** Students who wish to stay at lunchtime may do so and will be supervised, as always. Please note that upon returning back to school on Halloween, kindergarten, first grade, second grade and third grade students should line up at the door where they are usually dismissed.

Sincerely,

The OPS Administrative Team

ES
