Dear Parent/Guardian:

The Oradell School District will continue to operate the milk program from September to June.

In order to continue the timely implementation of this program, the district is requesting that monies for milk be collected once a year. **IF YOUR CHILD IS ABSENT FROM SCHOOL, MONIES WILL NOT BE REFUNDED.**

*The cost of milk is \$.32 per container. There are one hundred seventy (170) eligible days from September through June; therefore, the total cost of milk for the school year is \$54.40. Please make your check payable to the **Oradell Board of Education** in the amount of \$54.40. Do not send cash and no refunds will be given.*

Payment is due by **Wednesday, September 18, 2013**. The distribution of milk will begin on Monday, September 23, 2013.
