

On Sunday, Sept.22nd, the **Oradell Special Events Committee** would like to invite your entire family to come down to Memorial Field located on Prospect Avenue between 1 PM to 5 PM to “Join the Fun” and to enjoy a great **Family Day** (rain date Sept. 29th). There will be local food vendors and local organizations will have fundraising and fun-raising events planned.

Bounce rides, obstacle courses, a trackless train, turbo tubs and a video game truck will be set up. Play all day for just \$15 or buy a \$2 ticket for each ride. The video game truck will allow four friends to play together on one game on each of their four stations inside.

Looking for a new furry addition to your family? Puppies/dogs and kitten/cats can be adopted from the Bergen County Protect and Rescue. Bergen County OEM-CART will teach and demonstrate how to prepare yourself and your family, including your pets, in case of an emergency, disaster or major storm.

Providing live entertainment will be the River Dell High School Marching Band, the Bergen County K-9 unit and a performance by the Marian School of Dance. For the first time, 92.3 NOW FM will “Join the Fun” with a prize wheel and will play music and entertain the crowd.

Due to the nature of this outdoor event, amusement and entertainment is subject to change. All proceeds raised by the Special Events Committee will go towards future patriotic celebrations and our fireworks displays.

For more information visit us on www.oradell.org or [Facebook](https://www.facebook.com/oradell.org) or call the FAMILY DAY hotline: 201-649-9274.
