A note from Mrs. Cuschieri . . .

I am looking forward to joining the faculty of Oradell Public School in October as the Library Media Specialist. Prior to teaching, I had been a corporate librarian for many years and when I decided to transition to teaching, I felt I had found my true passion. I started out as a High School English Teacher and moved to being a media specialist after a few years. I am interested in developing a love of reading in all students, and I am particularly interested in what causes many boys to lose interest in reading. I will be attending the Back to School nights on September 11th and 18th and hope to see you all then!
