

Oradell Public School District

Schaefer "Explorations" Summer Program

June 23, 2015 - July 17, 2015

Explorations will be conducted weekdays, Monday through Friday, beginning Tuesday, June 23rd and ending Friday, July 17th. *Explorations* will be closed on July 3rd. The attached schedule was devised so that children and parents may select as many as six courses from a variety of offerings. Session A will run from June 23rd - July 2nd and Session B will run from July 6th - July 17th. The tuition per course is \$70 during Session A and \$80 during Session B. Basic Skills classes are at a charge of \$120 for all four weeks.

Please complete the attached registration form for the appropriate session(s) and return it with a check reflecting full payment made payable to the Oradell Board of Education. The deadline for registration will be May 15, 2015 for both sessions. (All participants who register by the deadline will receive a commemorative t-shirt.) Please note, an additional \$25.00 non-refundable late registration fee per family will be charged for applications postmarked after May 15. No refunds will be given past June 5, 2015, and refunds requested prior to June 5 will result in a \$25.00 processing fee.

Please make all course selections based on your child's present grade level. Class size will be limited and courses will be filled on a first come, first served basis. We also reserve the right to cancel any course based on insufficient registration. Therefore, it is important that you put down a second or third choice if you have one, otherwise your check will be returned to you. Instructors listed for some courses may be changed without notice.

**Should you have any questions, contact Ms. Maklin, Assistant Director,
at 201-261-1180, ext. 152.**

Please leave a message, and your call will be returned as soon as possible.

COURSE DESCRIPTIONS

Pre-K Fun

Through this summer program the children will have the opportunity to continue and practice skills introduced during the academic year as well as continuing relationships with peers. The children will enjoy lots of music and movement activities, time for play and building social relationships, many art projects and sensory activities, while also practicing and reviewing foundational academic skills. Through whole group and small group instruction we will continue to practice letter and number recognition and leave time for independent discovery and exploration. Through daily interactive read-alouds, the children will not only be able to listen to a story, but also actively participate in the telling of the story as well. With a schedule similar to the structure of the school year, we will foster independence moving onto and preparing for the four-year-old program. In a positive, highly interactive and nurturing environment, the children will practice and build both social and academic skills through play and instruction. Please provide a healthy snack and drink daily. Please wear sneakers everyday. Sessions will be held each day from 8:30-11:25. The cost for this course is \$395.00

Instructor: Ms. Dell'Olio

Kinder-Camp

Ready? Set? Go! This voluntary program will introduce incoming kindergartners to the idea of making choices within a structured environment. Each week the Kinder-Camp teachers have planned new and exciting themes, packed with learning and lots of hands-on fun! Children will work in learning centers, play games, create artwork, sing songs, as well as participate in a special activity each day. In short, this will be a great introduction to kindergarten. Please provide a healthy snack and drink daily. Please wear sneakers everyday. Sessions will be held each day from 8:30-11:25. The cost for this course is \$395.00 Registration forms have been mailed. Additional forms can be found online under Kindercamp registration form. **4 weeks**

First Grade Fun

Crafts, numbers, and letters.... summer fun can't get any better! Children entering first grade will begin to learn the routines of calendar, journal writing, and math lessons. Each week will contain a thematic unit filled with reading, writing, math, and arts and crafts. Students will share ideas, make new friends and be ready for first grade before summer ends! Children can attend one or both sessions!

Viaje a Espana! (A Trip To Spain)

Boys and girls we are about to make our descent into beautiful Espana. We ask that you please fasten your seatbelts as we make our landing into Madrid. Our trip around Spain will consist of learning the language, enriching ourselves in the culture of each community, and tasting delicious food from the area. Ms. De Lucia, your expert tour guide, has lived in Spain and has traveled to each of these places so she will help guide you around this beautiful country.

- First stop: Madrid! Here in the capital city of Spain we will learn about some fantastic landmarks such as El Palacio, El Prado Museum, Real Madrid Futbol Club, and much more.
- Next, we will be moving towards El Pais Vasco where we will explore the Basque region of Spain.
- Following this excursion, we will be whisked away to beautiful Segovia where we will see the aqueducts and el Alcazar de Segovia- the castle where the King and Queen of Spain lived- the very same king and queen who sent Christopher Columbus on his famous journey.
- Next, you will find yourselves in Barcelona! Just like New York City, Barcelona never sleeps. On this excursion, you discover the beauties of this old but very cultured city. We will take trips to many landmarks including: La Sagrada Familia, Park Guell, and many more. Finally, we will hop on a short flight down Sevilla where we will visit the southern coast of Spain. We will be visiting La Giralda, La Plaza and mucho mas!

We will end our journey here by celebrating the culture and language of Spain with una fiesta grande! I hope to see you there! Adios!

Cheer Camp

This Cheer Camp will get you on your feet and learn everything a good cheerleader needs to know! Whether your goal is learning what cheerleading is, becoming a stronger cheerleader, mastering a stunt, or learning to believe in yourself, Cheer Camp can help you accomplish it. We will work on jumps, motions, stunting, flexibility, and dance. At the end of the camp each child will have learned new skills with improved technique. In addition to all this fun, children will make their own cheer bow to take home and wear proudly! Come cheer with an experienced All-Star Cheerleading Coach with over seven years of experience!

Instructor: Ms. Telfer **Grades 3-4** **2 weeks**
Session B: July 6-July 17 **8:30**

Cheerleading

5..6..7..8.. All psyched up and ready to cheer. Are you a positive, peppy person who loves to learn new things? Join us this summer for a cheerleading experience you won't ever forget. Whether you are brand new to cheerleading or are an experienced spirit leader, there is a place for everyone in Ms. De Lucia's Summer Cheerleading Experience. You will learn all of the basics of cheerleading from cheers to stunting to cheer routines in a safe and positive environment. This summer experience will surely build your cheer and leadership skills as well as confidence and new friendships. Each day will be split into four parts--- stretching, cheers and chants, dancing and stunting. We will close each day with a spirit activity based on an essential team building skill. By the end of the session, cheerleaders will be able to put together a routine mixed with cheers, dance, and stunts. At the end of the camp, all are invited to watch as each group performs their routine. Safety is incredibly important. All cheerleaders are expected to follow the rules in order to make sure that everyone participating is safe and healthy. With that being said, cheerleaders are expected to wear comfortable clothes and sneakers. Hair should be tied back and all jewelry should be removed. Additionally, all cheerleaders must come with a positive attitude, excitement to learn, and a smile each day. So, if you are looking to learn the basics of cheerleading or interested in improving your skills, this is the program for you!
