

Class of 2015

Dear Sixth Grade Parents:

The various committees are well underway planning great activities for our OPS Class of 2015. For some of these activities we will be collecting **\$20 per student** to help cover the costs of:

- Graduation day flowers for the students
- Balloons and decorations for commencement
- A class video of their time at OPS including graduation
- Class T-shirts
- MVP day refreshments

We are asking that a check made out to **“OPS BOE 6th Grade Activities”** be sent in to your child’s homeroom teacher, along with the slip below, no later than **Friday December 12th**. Separate collections for the optional events of Spring Fling, Pool Party and Graduation Luncheon will be at later dates.
