

K-3rd Grade

Parents Needed – Please Help

Do you think your child will participate in
Chorus or Band in 4th – 6th Grade?

Can you spare some time
on a Tuesday or Thursday night?

If so, please consider helping out the music department by volunteering to chaperone our Winters Concert on **Tuesday, January 27th or Thursday, January 29th**. The performing groups are made up of children in 4th – 6th grade. In order to provide enough seating for our audience we need to have our performers wait off stage in the classrooms. To provide the opportunity for their parents to enjoy the concerts we ask for parents of children NOT in the concert to help out by chaperoning.

Time you are needed: 6:40 – 8:00

Task: Stay with waiting performers in classrooms. A parent will come and get the children when it is their turn to perform. Once they are done they will return to the MPR until the end of the concert. The concert should last about 1 hour.

If you are available please contact:
