

Send in your photos or short video clips for the 2014-2015 OPS Graduation film!

The OPS video committee is collecting photos and short video clips for this year's graduation film. This movie will be a fantastic keepsake of OPS that all students will enjoy for years to come. It will be filled with photographs and some clips of activities that they've enjoyed from kindergarten through sixth grade. We will also include farewell messages from the administrators.

Photos and clips must be of current OPS students taken on school grounds or at a school sponsored function. Close-ups are preferred and video clips are encouraged. **Please note, if you are taking video using an iPhone, please hold the phone horizontally to create an optimal viewing experience in the video.**

We will divide the video in sections, so the deadlines for submission are as follows:

March 1: Kindergarten and Sixth Grade photos of each individual student

April 1: First day of school, Halloween, 5th grade DARE, 5th grade Buehler, 5th grade Sharpe trip, 6th grade Camp Bernie, Holiday Music Concert, 5th Grade field day

Please send all other photos and video clips as they start happening! Email all photos and clips to opsgradvideo@gmail.com using the following guidelines:

1. Kindergarten and sixth grade individual photos:
 - a) In the subject line, include the student's name, last name and homeroom teacher.
 - b) Compile your photos in a folder and attach the folder to the email and send.
2. To submit all other event photos:
 - a) In the subject line, please include the student's name, last name, and event name.
 - b) Compile your pictures in a folder and attach the folder to the email and send.
3. To submit group shots, simply type "group shots" in the subject line and add the event name.

The deadline for all photos will be May 15th. We will do our best to include as many photos and clips as possible. Thanks for your help!
