

# 6<sup>th</sup> Grade Give Back Food Drive

The 6<sup>th</sup> Grade Give Back committee is partnering with the OPS Student Government to support NJ Food & Clothing Rescue. This organization is located in Passaic County but works with various affiliates in Bergen County. They mainly support homeless awareness, struggling families, and those displaced because of natural disasters, abuse, etc...

Students & their families are asked to donate per the following chart. There is no minimum or maximum you can give but we ask that you chose an item that fits in the category assigned to your homeroom class to ensure we meet the needs of the Rescue.

		SUGGESTION A	SUGGESTION B	SUGGESTION C
Snacks	Albrecht	granola bars/rice crispie treats	indiv. wrapped chips	indiv. wrapped candy
Fruit/Veg	Castillo	canned fruit	canned vegetables	canned tomato sauce
Dinner	Duthie	tuna/canned meat	instant mashed potatoes	pasta
Lunch	Kastaurus	peanut butter	ramen soups	macaroni & cheese
Breakfast	McGill	single serve cold cereal	oatmeal packets	coffee/boxed milk

The Student Government is also going to run a “Change” for change collection because this organization is not only in need of food but money toward a new van to run their operation. We will place a water jug in the 6<sup>th</sup> Grade hallway during this time frame to assist with this collection as well.

When the collection period is complete at the end of May, we will be asking for 6<sup>th</sup> Grade students to volunteer to help work with the Student Government students to load the van/cars with the donated items.
