

## Oradell Junior Girl Scout Troop 4466 Needs Your Help!

### Weekend Snack Pack Collection Drive -- Center for Food Action

We are 11 fifth grade girls at Oradell Public School who need your help to make sure local school kids don't go hungry on the weekends. Many kids who receive free or reduced-priced schools meals in neighboring school districts go without adequate nutrition on weekends and school breaks. The Weekend Snack Pack Program provides these kids with healthy snacks that are easy to prepare. Every Friday, these children receive a sealed bag full of nutritious snacks placed discretely into their backpacks.
