

Hi, we are from Girl Scouts Troop 993. For our Silver Award Project, we are collecting food for selected families in Washington Heights. We wanted to help out families that are unable to purchase a lot of food for themselves. It would be a very big help to us if you could donate the suggested foods below:

- Macaroni and Cheese
- Rice
- Soup
- Cereal
- Crackers
- Pasta
- Granola Bars

Thank you for all of your help and making this possible!
