re: End of year medication pick up

Dear Parent/Guardian,

If your child has medication that is currently stored in the School Health Office for the 2015-2016 school year, **please pick up this medication on the last day of school before dismissal.**

Please note that we are unable to store medication in the Health Office over the summer months. Any medication left in the School Health Office will be discarded.

For exiting 6th grade students, medicine currently housed in the School Health Office **does not** transfer to the River Dell Middle School for the 2016-2017 school year.

Note: If your child is attending the OPS summer program, you can pick up medications on the last day of camp.

If you have any questions, please call me at 201-261-1180 Ext. 168.

Thank you,

Carole Orthmann, RN
