## 6<sup>th</sup> Grade Give Back

Dear Grateful Doggies,  
We are so pleased to enclose \$279 of donations collected by the 6<sup>th</sup> Grade students from their school mates at Oradell Public School for your organization to use in the process of rescuing and transporting dogs for adoption.

The children made posters to encourage their school friends to donate and then they collected and hung the “dog bones” indicating the donations that were made.

A donation “thermometer” in the main hallway showed the progress of their efforts through the process. We are so happy to have been able to help Grateful Doggies with their mission.

Fondly,  
Christine Lichtenstein & Jaki Raider
