Re: End of the year medication pick up

Dear Parent/Guardian of current 6th grade students:

If your 6th grade student has medication that is currently stored in the School Health Office, **please pick up this medication on the last day of school before dismissal.**

Please note that we are unable to store medication in the Health Office over the summer months. Any medication left in the School Health Office will be discarded and does not transfer to the River Dell Middle School for the 2016-2017 school year.

If you have any questions, please call me at 201-261-1180 Ext. 168.

Thank you,

Carole Orthmann, RN
