

October 2015

Dear Parent/Guardian,

We are once again excited to invite you to visit your child's classroom on Tuesday, November 17, 2015 during American Education Week. By visiting your child's classroom, you will be able to see a snapshot of your child's day at Oradell Public School.

For parents of students in grades PreK - 4<sup>th</sup>, there are two times available to visit your child's classroom. (See attached schedule.) Please choose either the morning **OR** the afternoon time slot, fill out the bottom portion of this letter, and return it to your child's classroom teacher. Fifth and Sixth grade parents are invited to attend during both the morning and afternoon since the children have different teachers during the two parts of the day. As a way to minimize distractions to instruction and student learning, *we ask that you refrain from bringing hot beverages or foods and younger siblings.* Please be reminded that this is not the appropriate time to ask the teacher questions specifically about your child. Additionally, please note that all parents should enter in through the Auditorium door. This will provide parents a place to sit if they arrive early that will not interfere with instruction in main hallway classrooms.

I am pleased to tell you that the Oradell Police Department will allow parking on November 17<sup>th</sup> on the school side of Church and Center Streets. This should ease the parking situation.

We believe that the home-school connection is essential to helping children succeed socially, emotionally, and academically. We are excited and happy to open our classroom doors during American Education week. Come and see all of the wonderful work our teachers and students do each and every day.

Sincerely,

Ms. Megan Bozios and the Oradell Administrative and Teaching Staff
