

# TEACHER APPRECIATION WEEK

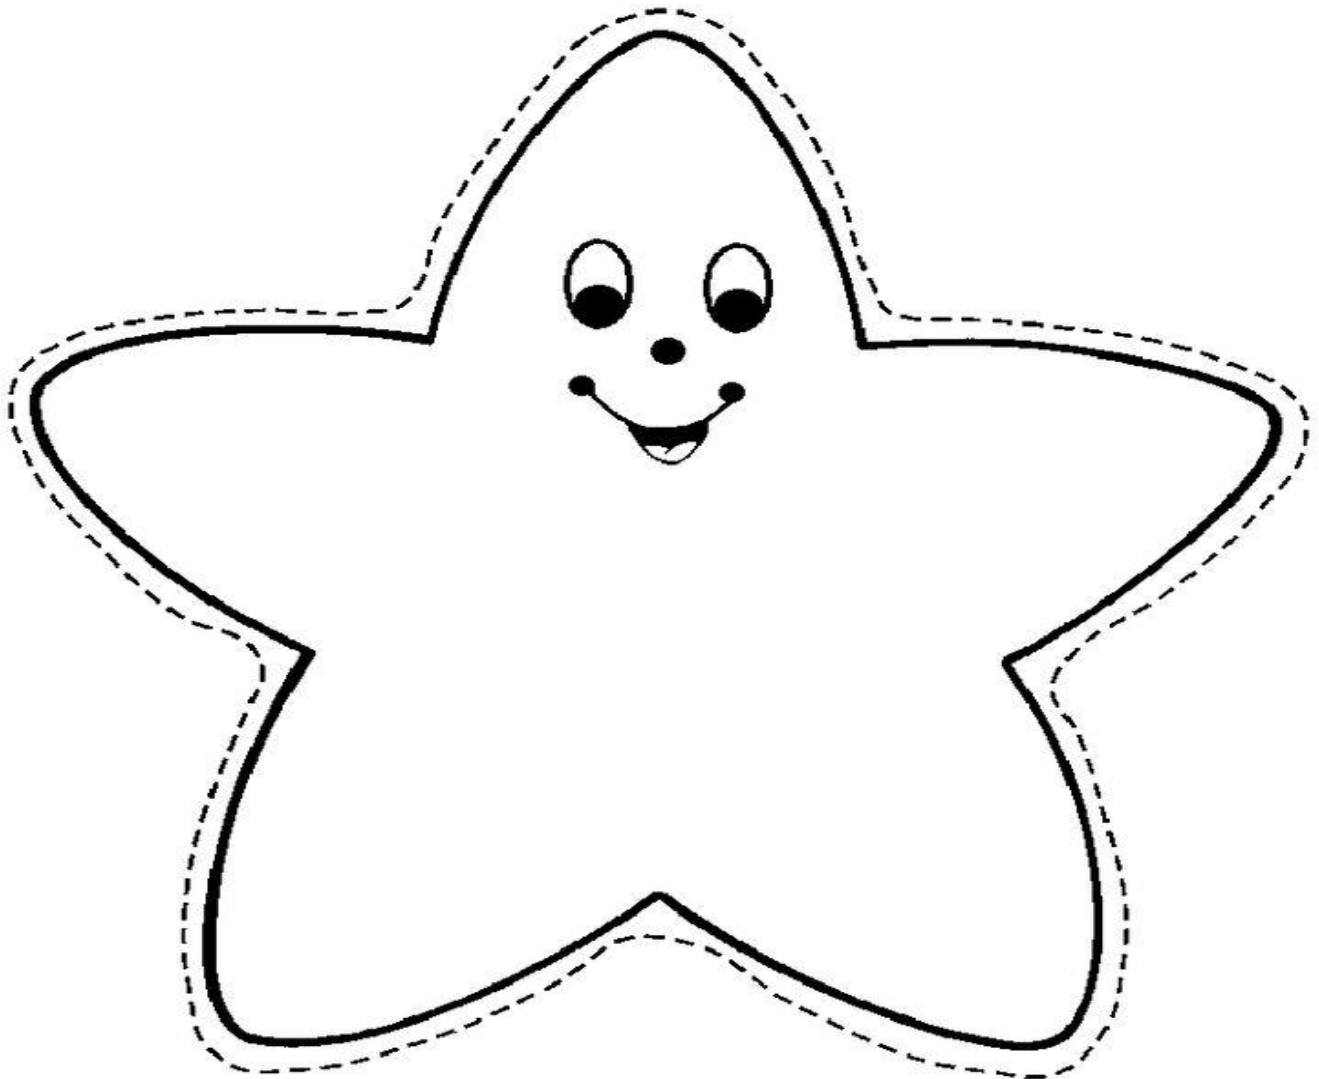

MAY 1<sup>st</sup> – 5<sup>th</sup>

All orders must be in by Wednesday, April 26<sup>th</sup>!

Student Government is hosting a candy gram sale for the OPS teachers. Each candy gram is \$2.00. It's a great way to let our teachers know how sweet they really are!

Print out this piece of paper. Have your student write a note to the teacher they will honor. They should write neatly and color in the star and send it back in an envelope marked Student Government.

The Student Government will put the candy gram together and deliver it to the teacher during the first week of May.
