

**YOU'RE INVITED**  
**to OPS's**  
**WINTER SONGFEST**  
**December 22, 2016**

As we continue to work to create a unified OPS community, we will again be joining together as 3 "Spirit Teams" for this year's Holiday Sing-A-Long. This will allow our 6<sup>th</sup> graders to remember what it was like to be at their first sing-a-long so many years ago while also allowing our kindergartners to dream of what it will be like to someday be an OPS big kid! And, of course, it will allow our families to join with us during this special time of year. Please join us in the MPR during your child's class's time.
