

BOOK DRIVE

for the Boys and Girls Club of Garfield

As a part of her Gold Award project, Kirsten Garino of Oradell Girl Scout Troop 849 is collecting books to renovate the library of the Boys and Girls Club of Garfield. Please consider donating your new or gently used books to benefit this worthy cause. Help to encourage strong literacy skills and a lifelong love of reading in the community!

This is also a great opportunity to clean out
and to give your old books a new life!

Collecting new or gently used books for children in grades K-8
or gift cards to stores that sell books (Barnes & Noble, Target, Walmart, etc.)
