3rd and 4th grade camps focus on teaching proper fundamentals through fun and different types of games while also helping new players understand the game.

5th - 8th grade focus is to reinforce fundamentals while also teaching advanced offensive and defensive tactics, the basic concepts taught at the High School Level for both JV and Varsity. This will encourage a uniformed general approach that will prepare players to compete at the JV and Varsity level!

The River Dell Lacrosse Summer Camp is not an activity of the Oradell Board of Education or Oradell Public School.
