Coding & Programming with TechRoots Academy

This is a six (6) week program that will teach students the basics of website development.

At the end of the course, students will have created their own personalized website that they will be able to use and continue to play around with after the course.

All materials supplied by TechRoots Academy

Grades 3 - 8

Dates: Sept 20 & 27, Oct 4, 11, 18, & 25
By signing up, you are committing to all 6 weeks.

Register at the JR. Room Desk.
Fee: $60 for the whole 6 weeks.
