

Oradell Public Library Teen Advisory Board

The spark that energizes the library

Tuesday, September 13th

7:30 PM - 8:30 PM

What is the Teen Advisory Board (TAB)?

TAB is our group of volunteers that help plan programs, assist the Junior Room, and advise the library on what books, games, movies, music, and programs we should have in the library

Who Can Join?

TAB is open to all Oradell students in grades 6 through 12.

What is Required?

We ask TAB members to commit to at least one (1) hour of volunteer service per month. Participating at our monthly meeting counts. There will be multiple other opportunities throughout the month to volunteer more hours.

What Are the Benefits?

TAB provides volunteer credit, references, and opportunities to make new friends.
Oh- and we always provide snacks!

Can't make the meeting? Stop by the front desk to pick up an application.
