

# **FOCUSING ON ATTENTION**

**Monday, April 30, 2018 at 7:30 p.m.  
Oradell Public School auditorium**

Please join us for a special parent seminar led by Dr. Andrea Flower, an educational consultant and advocate; author of numerous published, research-based articles; and speaker at national conferences in education and special education. Dr. Flower will discuss what parents need to know about attention and focus, including typical versus atypical behaviors, classroom interventions and accommodations, academic support strategies, and more.

*This event is presented by the Oradell SEPAC. If you have questions or would like to submit anonymous questions for Dr. Flower in advance, please e-mail [oradellsepac@gmail.com](mailto:oradellsepac@gmail.com) or visit <http://oradellsepac.wixsite.com/oradellsepac>.*
