Our children,
our hope,
our future

IMPORTANT SCHOOL TRAFFIC SAFETY INFORMATION!

Please read carefully!

As the new school year approaches, it is important to reaffirm our commitment to ensuring the safety of our children. A topic of concern we continue to address is traffic and pedestrian safety. The Oradell Police Department has asked us to remind you of these strictly enforced guidelines:

- Drop-off and pickup are permitted on both sides of Church Street (**no parking, driver must remain with vehicle**). **Blocking of residential driveways is prohibited.**
- Drop-off and pickup are permitted only on the school side of Center Street (**no parking, driver must remain with vehicle**). There is **absolutely no** drop-off, pickup, or parking permitted on the alternate side of Center Street.
- Drop-off and pickup are permitted on both sides of Prospect Avenue. **THE SCHOOL SIDE IS A "DROP-OFF ONLY – NO PARKING ZONE" BETWEEN 8:15-8:45 A.M.**
- The sidewalk situated behind the school is **never** to be used as a drop-off/pickup area.
- **CHURCH STREET KISS 'N GO LANE:** This lane is for drop-off only during the morning hours – parking is **not** permitted in this lane. PARENTS **MUST** PULL AS FAR FORWARD AS POSSIBLE IN THE DROP-OFF LANE. During afternoon dismissal, parents may enter the lane to pick up their children; however, parents must remain **inside** their vehicles at all times.

SUGGESTED DROP-OFF LOCATIONS

Kindergarten – Church Street
First Grade – Prospect Avenue or Church Street
Second Grade – Church Street
Third Grade – Prospect Avenue
Fourth Grade – Church Street
Fifth Grade – Center Street
Sixth Grade – Center Street

Important note: signs are posted along each of these streets to provide clarification for drivers and to alert all of us to the presence of pedestrians. Your cooperation is also requested to ensure that adults and children use crosswalks and sidewalks at all times. Never call to your child to cross in the middle of the street. Don't walk through staff parking lots while accessing school entrances as this creates a dangerous situation. To repeat, **USE THE CROSSWALKS & SIDEWALKS AT ALL TIMES.**
