*Our children,  
our hope,  
our future*

May 10, 2018

Dear Parent/Guardian,

The placement of children in classes for next year is a responsibility we take seriously. Teachers and administrators will spend countless hours considering the placement of all students for the 2018-2019 school year. Our ultimate goal is to create healthy, balanced learning communities. To achieve this goal, we consider a student’s academic strengths/weaknesses, his/her social/emotional well-being, and the specific learning style of the student.

We ask that parents keep the following in mind:

- **Refrain from requesting a specific teacher as individual teacher requests will not be honored.** Please trust that the administrative team knows the teaching styles of our teachers, and with the help of your child’s current classroom teacher, we are able to make appropriate teacher/student matches.
- If you have already had an experience with a particular teacher with an older child, and would prefer a different experience for a younger sibling, please share that information. While we believe all of our teachers are capable of meeting any child’s needs, we understand that sometimes there is a preference for a different experience for a sibling.
- Please do not request to **NOT** be in a specific teacher’s class if you have not had a prior experience with that teacher. Statements such as, “Based on what I have heard, I think <insert teacher name> would not be a good fit for my child” are not acceptable.

Please email your input to [2018placement@oradellschool.org](mailto:2018placement@oradellschool.org). (Include your child’s name in the subject line.) We will confirm receipt of your email.

**THE DEADLINE FOR INPUT FORMS IS MAY 18, 2018.**

Thank you for working together with us to create a positive learning experience for OPS children.

Sincerely,  
*The OPS Administrative Team*
