### **TEACHERS' WISH LISTS**

The Book Fair offers you an opportunity to purchase a book for your child's classroom library. Books can be purchased for your child's classroom library from the teachers' wish lists. A book plate will be placed inside for your child to sign.

### **PAYMENTS**

We accept cash, check (payable to the Oradell PTA), credit card or Scholastic's digital eWallet.

Cash must be placed in an envelope or Ziploc bag with your child's name and teacher on it.

If paying by check include your child's name, grade and teacher on memo line and either:

- Fill in the dollar amount and your child will receive change
- Leave the amount blank and write a spending limit on memo line. A book fair committee member will fill in exact amount when your child pays

To setup your child's eWallet, and go cash-free, visit us online at <http://www.scholastic.com/bf/oradellpublicschool>.

If you do not agree with your child's purchase, we will gladly exchange it for another selection. We do not censor what the children decide to purchase. Please see the Oradell PTA website for additional Book Fair information.
