

Inhale Confidence, Exhale Doubt

Girl Scout Gold Award Project:

My name is Briana Picinich and I am a Girl Scout Ambassador in the process of completing my Gold Award. My project will educate girls in 4th-5th grade on the importance of a positive self-image and strengthen one's inner confidence. My project will have two parts to it:

- Hosting a 6-session program to educate and provide activities for the girls
- Collecting donations to help strengthen the confidence of other young girls

If interested, please RSVP with the name and grade of your child by October 1st. Space is limited.
