

Spirit of America's Story

The Spirit of America's Story, The Wall is a Traveling Exhibit Commemorating Our Country's Fight for Freedom from 1775 to Present Day

“The Wall is a richly illustrated visual story of America’s struggles for freedom, a visual walk through our countries history and our fight to be free. Our goal is to capture and preserve the spirit, the sacrifices and rich history of the American people. We do this by honoring those men and women in uniformed service who have and are currently serving and protecting our way of life, liberty, and the pursuit of happiness both here and abroad.”

The Spirit of America’s Story “is a volunteer, non-profit organization dedicated to honor and educate about the immeasurable sacrifices individuals have made in the name of freedom. This wall, unlike other memorials teaches through a pictorial time line, covering the past 230 years. The wall is displayed and accompanied by the originators that presented this wall to the public in an informative and interactive Q&A session.” (Quotations excerpted from www.spiritofamericastory.com/)
