

Oradell Public School District

Our children, our hope, our future

May 21, 2020

Dear Oradell Community,

As you know, social distancing restrictions are still in place. While we are trying to balance safety and rewarding student experiences, we find it to be a difficult decision to make but we will not be running KinderCamp and Summer Explorations this summer. However, our Extended School Year Program will be offered virtually this summer.

While we wait for further guidance from the New Jersey Department of Education, our schools will remain closed. I appreciate your patience during this difficult time and wish you all a safe and healthy Memorial Day Weekend.

Interim Superintendent
