Oradell Public School District Parent-Student Technology Contract

4th Grade

Oradell Public School students in grades 3-6 are one-to-one with devices during the school day; however, they do not take them home. As we formulate a plan in the event school is closed by the Department of Health as a result of COVID-19, the first step is to provide students additional access to technology at home to complete school assignments. If you would like your child to bring home a school device or if you have your own, we will make the accommodations as you request. Please indicate your preference and sign the form below so that we can plan accordingly.

Student Parent

 I will take good care of my assigned device.

- I will never leave my device unattended
- I will not give or lend it to anyone except to return it to the School
- I will keep food and beverage away from my device
- I will not place decorations (such as stickers, markers, etc.) on the device

 I understand it is my responsibility to keep this computing device from being damaged through accident or through the actions of others.

 I will not disassemble any part of my device or attempt any repairs.

 I will use my device in ways that are appropriate and educational as stated in the Acceptable Usage Policy.

- I will not deface the serial number or asset tag on any device
- I understand that my device is subject to inspection at any time without notice and remains the property of the Oradell Public School District.

 Following are costs associated with loss of or damage to the device:

- If the device is lost or stolen, the parent will pay \$300.00
- Lost or stolen power cord - \$20.00
- Any damage judged to be the result of reckless, abusive, willful, or intentional conduct, will be repaired at cost to the parent.

 I understand any repairs to fix manufacturer's defects **will not** result in a cost.

 I understand that the School will fully cooperate with all relevant authorities in investigating or prosecuting any unlawful use.

 I understand all Internet traffic passes through the district's content filter in school as well as off-premises. All traffic can be reviewed for inappropriate use and students are responsible for websites visited as well as Internet searches performed.
