

YOU'RE INVITED
to the OPS

WINTER SONGFEST

December 19, 2019

As we continue to work to create a unified OPS community, we will again be joining together as three "Spirit Teams" for this year's Holiday Sing-A-Long.

This will allow our 6th graders to remember what it was like to be at their first sing-a-long so many years ago, while also allowing our kindergarteners to dream of what it will be like to one day be an OPS big kid! And, of course, it will allow our families to join with us during this special time of year. Please join us in the MPR during the time slot listed for your child's class.
