

Oradell Little League Challenger Baseball Team

The Little League Challenger Division provides opportunities for boys and girls with physical and developmental challenges to enjoy the benefits of Little League participation

The Challenger program:

- gives all boys and girls ages 5-21 years the opportunity to play baseball and be part of a team
- Presents opportunities to experience the joys of pulling together as a team, being cheered, and earning awards for their achievements
- Enhances social development while having fun on the ball field

Answers to common questions:

- No baseball experience required. The program is adapted to the abilities of the players and every player plays, every game, no matter what their ability is
- Buddies from area high schools are provided for every player to help with fielding, batting, and base running, and player safety
- Minimal time commitment - games are normally Sunday afternoons April-June and last about an hour
- Residents from all area towns are welcome
- Parents and players have the opportunity to socialize with other special needs families in Bergen County
- No registration or fee required for buddies - just contact Coach Nahmias

Register online at <https://www.oradelllittleleague.com/registration> (no late fee)

For more information on being a player or buddy in the Oradell Little League Challenger Division, please contact:
