April, 2021

Dear Sixth Grade Parents and Students:

We are very excited to share this presentation with all of you and even more excited to visit with everyone next week at OPS, Roosevelt and Cherry Hill Schools. Please visit our website at www.riverdell.org/rdms and then click on the presentation on the main page. This presentation will provide you with a good look at who we are at RDMS. Additionally, you can access our Program of Studies guide (link is attached) that will give a description of every course we teach at RDMS.

As a part of our visit, we will collect the attached Preliminary Course Selection Sheet, that asks for two items of information:

1. Would you like to take Spanish or French?
2. Would you like to participate in band, chorus or both band and chorus?

This is all that we need to begin the scheduling process and all information is covered in the presentation document; but have no fear as we are also visiting each school to answer any other questions that you might think of.

Additionally, we will be setting up a visitation schedule for small groups to take building tours over the summer and that information will be forthcoming in late May or early June. The tours will operate throughout the summer so everyone should be able to find a time that works best for them.

Very much looking forward to meeting all the future RDMSers next week!

Sincerely,

Richard Freedman
