The River Dell 2022 Soccer Camp will provide your son or daughter a fun and challenging experience. Safety is our number one priority! This soccer camp is open to residents of Oradell and River Edge only and is designed to include the needs of beginners through experienced soccer players. The Soccer camp will help develop skills and fundamentals of all players that will be the building blocks of their future success in the game.

When children are learning how to play soccer, they aren't just playing a sport. Soccer will teach your child valuable skills such as teamwork, sportsmanship, perseverance, decision making, and how to think on their feet that they will be able to translate into their everyday life. At the River Dell 2022 Soccer Camp your child will learn new skills while meeting other children who love soccer.
