Dear Potential Sponsor,

I am participating in the Annual Turkey Trot at my school and we're collecting food donations for a local food drive this holiday season. I will run laps during Phys-Ed class and would appreciate you sponsoring me by donating non-perishable food items or an amount per lap (you can name a maximum amount that you are willing to donate.)

Suggestions for non-perishable/canned items are Sweet Potatoes, Cranberries, Stuffing Mix, Olives, Mashed Potatoes, Corn, Jiffy Mix, Gravy Mix, Vegetables, etc. After the Trot, I will tell you how many laps I completed and collect your donation. Thank you for your generosity!
