Playwriting Workshop

Do you love to use your imagination, tell stories and entertain people? If you do, then this is the perfect class for you! Come *Zoom* together with other creative children to write a one-act play, which will then be shared with friends and family at an *in-person* “Table Read” on the last day - just like the professionals. During this virtual workshop, you will participate in exercises and games that will strengthen your writing skills as you learn the techniques needed to write a well-developed play.

All that is needed is an open mind and a good sense of teamwork. Don't miss the fun!

10 classes on the following Thursdays:

September 30

October 7, 14, 21, 28

November 11, 18

December 2, 9, 16 (with an In-person Table Read on this last day)

\$275

Classes will meet via Zoom at 5:30 pm – 6:30 pm.

Classes are open to children ages 8-14.

Space is limited.
