Our children, our hope, our future

Rd: Physical Forms for Students Entering 2<sup>nd</sup> and 5<sup>th</sup>

Dear Parent/Guardian,

This September, your child will be attending a grade level (grade 2 or 5) in which a physical examination is **recommended**.

The recommended physical forms are included in this electronic packet and can also be accessed on the school nurse's website on the Oradell Public School webpage.

If you have any questions, please call me.

Thank you,

Gina Marana, BS, RN

Gina Marana, BS, RN School Nurse 201-261-1180 ext. 4121 Fax: 201-634-1412 **ATTENTION PARENT/GUARDIAN:** The preparticipation physical examination (page 3) must be completed by a health care provider who has completed the Student-Athlete Cardiac Assessment Professional Development Module.

### ■ Preparticipation Physical Evaluation

Name_Date ofbirth

Medicines and Allergies: Please list all of the prescription and over	er-the-c	ounter m	edicines and supplements (herbal and nutritional) that you are currently	taking	
Do you have any allergies? ☐ Yes ☐ No If yes, please ide ☐ Medicines ☐ Pollens	ntifysp	ecifical	lergybebw. □ Food □ Stinging Insects		
Explain "Yes" answers below. Circle questions you don't know	the an	swers to	).		
ENERAL QUESTIONS	Yes	No	MEDICAL QUESTIONS	Yes	No
Has a doctor ever denied or restricted your participation in sports for any reason?			26. Do you cough, wheeze, or have difficulty breathing during or after exercise?		
2. Do you have any ongoing medical conditions? If so, please identify			27. Have you ever used an inhaler or taken asthma medicine?		<u> </u>
below: Asthma Anemia Diabetes Infections Other:			28. Is there anyone in your family who has asthma?		<del></del>
3. Have you ever spent the night in the hospital?			29. Wereyoubornwithout or are you missing a kidney, an eye, a testicle (males), your spleen, or any other organ?		1
4. Have you ever had surgery?			30. Do you have groin pain or a painful bulge or hernia in the groin area?		
EART HEALTH QUESTIONS ABOUT YOU	Yes	No	31. Have you had infectious mononucleosis (mono) within the last month?		
5. Have you ever passed out or nearly passed out DURING or AFTER exercise?			32. Do you have any rashes, pressure sores, or other skin problems?		ļ
6. Have you ever had discomfort, pain, tightness, or pressure in your			33. Have you had a herpes or MRSA skin infection?		<del></del>
chest during exercise?			34. Have you ever had a head injury or concussion?		
7. Does your heart ever race or skip beats (irregular beats) during exercise?			35. Haveyou ever had a hit or blow to the head that caused confusion, prolonged headache, or memory problems?		1
Has a doctor ever told you that you have any heart problems? If so,     shock all that apply:			36. Do you have a history of seizure disorder?		
check all that apply:  ☐ High blood pressure  A heart murmur			37. Do you have headaches with exercise?		
☐ Highcholesterol A heart infection ☐ Kawasaki disease Other:			38. Have you ever had numbness, tingling, or weakness in your arms or legs after being hit or falling?		
Has a doctor ever ordered a test for your heart? (For example, ECG/EKG, echocardiogram)			39. Haveyoueverbeen unable to move your arms or legs after being hit or falling?		
0. Do you get lightheaded or feel more short of breath than expected			40. Have you ever become ill while exercising in the heat?		<del>                                     </del>
during exercise?  1. Have you ever had an unexplained seizure?			41. Do you get frequent muscle cramps when exercising?		
2. Doyou get more tired or short of breath more quickly than your friends			<ul><li>42. Do you or someone in your family have sickle cell trait or disease?</li><li>43. Have you had any problems with your eyes or vision?</li></ul>		
during exercise?			44. Have you had any eye injuries?		
EART HEALTH QUESTIONS ABOUT YOUR FAMILY	Yes	No	45. Do you wear glasses or contact lenses?		
Has any family member or relative died of heart problems or had an unexpected or unexplained sudden death before age 50 (including			46. Do you wear protective eyewear, such as goggles or a face shield?		
drowning, unexplained car accident, or sudden infant death syndrome)?			47. Do you worry about your weight?		
<ol> <li>Does anyone in your family have hypertrophic cardiomyopathy, Marfan syndrome, arrhythmogenic right ventricular cardiomyopathy, long QT</li> </ol>			48. Are you trying to or has anyone recommended that you gain or lose weight?		
syndrome, short QT syndrome, Brugada syndrome, or catecholaminergic polymorphic ventricular tachycardia?			49. Are you on a special diet or do you avoid certain types of foods?		<del></del>
5. Does anyone in your family have a heart problem, pacemaker, or			50. Have you ever had an eating disorder?  51. Do you have any concerns that you would like to discuss with a doctor?		
implanted defibrillator?			FEMALES ONLY		
<ol> <li>Has anyone in your family had unexplained fainting, unexplained seizures, or near drowning?</li> </ol>			52. Have you ever had a menstrual period?		
ONE AND JOINT QUESTIONS	Yes	No	53. How old were you when you had your first menstrual period?		
7. Have you ever had an injury to a bone, muscle, ligament, or tendon			54. How many periods have you had in the last 12 months?		
that caused you to miss a practice or a game?			Explain "yes" answers here		
Have you ever had any broken or fractured bones or dislocated joints?     Have you ever had an injury that required x-rays, MRI, CT scan,					
injections, therapy, a brace, a cast, or crutches?					
Have you ever had a stress fracture?					
<ol> <li>Haveyou ever been told that you have or have you had anx-ray for neck instability or attanto axial instability? (Down syndrome or dwarfism)</li> </ol>					_
2. Do you regularly use a brace, orthotics, or other assistive device?					
3. Do you have a bone, muscle, or joint injury that bothers you?					
4. Do any of your joints become painful, swollen, feel warm, or look red?					
5. Do you have any history of juvenile arthritis or connective tissue disease?
