

# KidzToPros

# AFTER-SCHOOL PROGRAMS

at

Oradell Public School

Oradell, New Jersey, United States

## LEGO Robotics

GRADES: 3-5

04/18/2023 - 05/16/2023

**TUE** 3:00 PM - 4:00 PM

No class dates: /

Give your tech lover an opportunity to discover and build new inventions with LEGOs! Little minds go wild in this after-school opportunity, where they develop a design mindset, while building and programming small-scale robots. STEM tools, such as motors and sensors, make coding fun and ready your child to build something spectacular!

### PREPARE FOR A BRIGHTER FUTURE WITH:

#### LIFELONG LEARNING

Enriching subjects, beyond what's offered in school, help students establish a foundation that prepares them for high school, college and beyond.

#### SMALL-CLASS ENVIRONMENT

Low student/teacher ratio ensures learners receive expert instruction and best-in-class training.

#### EDUCATIONAL & SOCIAL GROWTH

Our instructors encourage initiative and provide support, as students persevere with peers to solve problems and overcome challenges.

# SUMMER CAMPS

**STEM, ARTS & SPORTS**

## WE PROVIDE:

### SPORTS CAMPS

**Popular programs:**

Soccer, Tennis, Basketball, Play it all

Improve physical and mental agility at KidzToPros' sports camps! We have basketball, tennis, soccer, and even Play-It-All camps that combine sports. Kids will have fun exercising while building confidence, social skills and strategic thinking – all elements of a healthy future!

### STEM CAMPS

**Popular programs:** Wonder or LEGO Robotics, MakerSpace, Roblox, Minecraft Coding

Prepare your future professional for success in a high-tech world! Our STEM programs are built to engage young learners. By leveraging existing interests like video games and LEGOs, KidzToPros' camps teach your kid real-world skills in robotics, engineering, game design and more!

### ARTS CAMPS

**Popular programs:**

Art Skills, Film Studio, Music Production

Lights, camera, action! Get your budding artist to exercise their imagination. From drawing to performing arts, students will develop their artistic skills and explore new mediums of expression! Watch your young creative bring new ideas to life this summer with KidzToPros' arts courses.

This coupon code is valid for Summer Camps only and expires April 25th
