

Dear Parents,

Here is your chance for your child to participate in our upcoming production of Beauty and the Beast Junior. We are selling light up roses to help support our show. Each rose costs \$5. During the final scene your child can light up their rose and help the Beast transform back into a prince.

As of right now we have only 275 roses available. If you are interested in purchasing a rose please fill out this [google form](#) and send in a check to Mr. Butcher or Mrs. Riesebieter made out to "Oradell Board of Education".

Thank you,
James Butcher
