## Crossing Guard Change Notification

To: Superintendent Megan Bozios  
Principal Michelle Hawley

I am writing to advise you of the temporary change of the Oradell Crossing Guard post located at Kinderkamack Road and Oradell Avenue that will be taking effect on or about September 15<sup>th</sup>, 2022.

Due to the construction at 393 Kinderkamack Road, formerly Panico Salon, the police department will have to temporarily move the Crossing Guard post from the west corner to the east corner of Kinderkamack Road at Oradell Avenue in front of KinderSmiles. The on-going construction will deem the west corner area unsafe for the Crossing Guard to safely cross the students to and from the Oradell Public School.

The Crossing Guard will remain assigned at this location to instruct walking students travelling from the north or eastside of town to continue walking south on Kinderkamack Road to the next Crossing Guard post located at Kinderkamack Road and Center Street adjacent to the Oradell Fire Department. The students that walk from the neighborhoods that are east of the Oradell Avenue Train Station will also be informed by the Crossing Guard at the Train Station that they could walk south on Maple Avenue to Center Street to then cross by the Crossing Guard at Kinderkamack Road.

Please feel free to disseminate this notification to all the parents of OPS students.

Thank you,

William Wicker  
Chief of Police  
Oradell Police Department
