### **FAMILY MATH GOALS**

**To build confidence and competence in mathematics by:**

**Providing hands-on experience in a fun, supportive environment**

**Creating positive attitudes towards mathematics**

**Building problem-solving strategies that reduce frustration and increase the willingness to accept new challenges**

**To create partnerships between home and school by:**

**Reinforcing the school curriculum as well as state and national standards**

**Making time for families to learn and work together**

**Increasing positive dialogue between teachers, parents and students**

**To motivate students to continue studying mathematics by:**

**Building awareness of the need for mathematics in life and work**

**Introducing families to career options and role models**

**Encouraging mathematical literacy for all students**

**PLEASE NOTE: Children may not come alone, nor may parents attend without their children! Other school aged family members are welcome, provided they are currently attending OPS.**

**Please join Mrs. Hook and me for some family together time and some laughs! You are an important part of OUR FAMILY!!!!**
